

Professionals Briefing Club

The Professionals Group invites you to join the Briefing Club.

The Club allows professionals to come together to discuss issues that affect us either personally or in our working environments. The evenings commence with a short talk on a topical subject, followed by a Q&A session and an opportunity to raise any other issues. Afterwards, there is a chance to network over drinks. There is no charge for membership or attendance at events.

The Club events are held at our offices in London, at Russell Square House, 10-12 Russell Square, WC1B 5LF. Registration will be from 5.45pm, with the session starting at 6.00pm followed by a Q&A session.

If you have any queries about the Briefing Club, or would like particular issues or topics raised at the briefing, then please contact:
